

**AN ORDINANCE TO AMEND SECTION 90-1 OF CHAPTER 90  
OF THE CODE OF THE TOWN OF LURAY, VIRGINIA**

**WHEREAS**, the Town of Luray, Virginia (the “Town”), has previously adopted an ordinance regulating grass, weeds, and other growth, which is codified as Section 90-1 of Chapter 90 of the Town Code; and

**WHEREAS**, the Town Council wishes to clarify the existing regulations and adopt the civil penalties authorized under Virginia Code § 15.2-901.

**NOW, THEREFORE**, in order to preserve and promote the health, safety, and welfare of the Town, the Council of the Town of Luray, Virginia, hereby ordains as follows:

1. Section 90-1 of Chapter 90 of the Code of the Town of Luray, Virginia, shall be amended as follows:

**Sec. 90-1. - Grass, weeds and other foreign growth.**

- (a) The owner of occupied or vacant property, whether developed or undeveloped, shall cut any grass, weeds, or other growth on the property so that such growth is 10 inches or less in height.
- (b) The town (through its agents, contractors, or employees) may cut the grass, weeds and other growth at the owner’s expense if the owner fails to do so after a written notice is provided under this subsection.

A written notice from the town shall be mailed to the owner at the address shown on the town’s tax records and shall state that the town may cut the grass, weeds and other foreign growth if the owner fails to do so within seven days from the date the notice is mailed. For the purposes of this section, one notice per growing season shall constitute adequate and reasonable notice, but the town may elect to provide additional notices.

- (c) If the town (through its agents, contractors, or employees) cuts the grass, weeds, or other foreign growth, the town’s costs and expenses shall be charged to the property owner. The costs and expenses shall be collected by the town in the same manner as real property taxes, and they shall constitute a lien on the property, ranking on a parity with liens for unpaid taxes.
- (d) The first violation of this section in a 12-month period shall be subject to a civil penalty of \$50.00. Subsequent violations within 12 months of the first violation shall be subject to a civil penalty of \$200.00. Each day that a violation remains constitutes a separate offense. The maximum cumulative civil penalty in any 12-month period shall not exceed \$3,000.

For the purpose of this subsection, the first violation occurs upon the mailing of the notice under Paragraph (b). Subsequent violations in the same growing season occur when both (i) the conditions of the property exceed the limit set in Paragraph (a) and (ii) the town takes action under Paragraph (b), whether it be cutting the growth or mailing an additional notice.

- (e) Three civil penalties imposed within a 24-month period on the same person for the same or similar violations not arising from the same operative facts shall be a Class 3 misdemeanor.
- (f) The provisions of this section shall not apply to land zoned for or in active farming operation.

(Code 1965, §§ 12-6—12-9; Code 1981, § 14-35; Ord. of 4-14-1997, § 1; Res. No. 2005-11-06, § 1, 11-14-2005; Ord. of X-XX-2017, § 1)

**State Law reference**— Authority of town to compel the cutting of grass, weeds and other foreign growth on vacant property, Code of Virginia, § 15.2-901.

- 2. This Ordinance will take effect immediately.
