Luray, Virginia 22835

PRESS RELEASE

On August 14, 2017 at its regular meeting, the Luray Town Council made several significant decisions.

After clarifying that the Council never considered spending \$100,000 to hire a consulting group to recruit an Interim Town Manager, the Council evaluated its options and elected to continue having Bryan Chrisman serve as Acting Town Manager. Additionally, the Council will be hosting a Town Hall meeting to solicit input from the community on what skills and traits are important for the next Town Manager to possess. Based on that input, the Council and staff will then begin recruiting for the Town Manager position. The Town Hall meeting will be held on Monday, September 11, 2017 from 6 - 7 p.m. in the Council Chambers. The Council will then continue with their regular monthly meeting at 7 p.m.

The Council also took the following actions:

Approved Text Amendments to the Zoning and Subdivision Ordinances

Approved a Rezoning Request from Baker Development to rezone 18 lots in the Luray Landing Planned Neighborhood Development (behind Walmart) from PND to Business conditioned upon a Signed Buffering Agreement between the Developer and the owner of 203 Allison Drive (Hyltoft). Also included was the need to follow the recommendations of staff contained within the staff report for future submissions.

Approved a Rezoning Request from the Lord Fairfax Community College Foundation to rezone 6.31 acres of donated land in the Luray Landing PND from PND to Business with the condition of a Traffic Impact Analysis.

Adopted changed portions of the state code relevant to Luray's Code of Ordinances

Appointed a Town FOIA Officer, as well as Communications Contact (both are the Town Manager)

Selected Pat O'Brien, Director of Parks & Recreation, as the Town Liaison with the Greenway Foundation

Nominated and Appointed Richard Lawrence to the Board of Zoning Appeals
