

Town of Luray, Virginia
Council Agenda Statement

Item No: VI - A

Meeting Date: April 9, 2018

Agenda Item: PUBLIC HEARING & COUNCIL CONSIDERATION
Item VI-A – Right-of-Way Vacation – 213 Fifth Street

Summary: Council is requested to consider a request from Mary Mellin, the property owner of 213 Fifth Street (Tax Map No 42A12(3) (44) 6&7), to consider vacating any interest in the alley located adjacent to her property. The Town has previously considered a similar request from Steven Cave the property owner directly behind this property. The request from Ms. Mellin is for approximately nine hundred eighty (980) square feet of alley property. The alley does not have access to Seventh Avenue, so this request will not affect other property owner's access.

Virginia Code requires the Town to record a certified copy of the Ordinance of Vacation included in your packet at the Page County Courthouse.

Council Review: Initial presentation.

Fiscal Impact: N/A

Suggested Motion: I move that Town Council adopt the Ordinance of Vacation for the alley adjacent to 213 Fifth Street in the form as presented.
