

Town of Luray, Virginia
Planning Commission Agenda Statement

Item No: VI - C

Meeting Date: April 11, 2018

Agenda Item: **PUBLIC HEARING & COMMISSION CONSIDERATION**
Item VI-C – SUP 18-3 – West Main Street Bridge Replacement

Summary: Commission is requested to conduct a public hearing to receive comment on a request from the Town of Luray to construct a replacement bridge on West Main Street over Hawksbill Creek through the issuance of a Special Use Permit for construction within the established floodway as required by Town Code Appendix A, Section 408.11 (9) B.4. The bridge construction has completed environmental review in conformance with the National Environmental Policy Act and received a Categorical Exclusion to permit construction of the replacement bridge.

History: N/A

Suggested Motion: I move that the Planning Commission recommend approval of the Special Use Permit for construction of the replacement West Main Street Bridge over Hawksbill Creek.
