

TOWN OF LURAY

P.O. Box 629
LURAY, VIRGINIA 22835
(540) 743-5511

Donations are now being accepted for benches to be located at the newly renovated Luray Train Station. The Train Station is home to the Luray-Page County Chamber of Commerce and is the first stop for visitors gathering information about our scenic valley.

The benches that we have selected will have black frames with brown seat boards, are built of durable recycled plastic lumber, and will be available in 2 styles.

6 FOOT – COST \$600

8 FOOT – COST \$800

If you would like to participate in this exciting project, benches can be donated at the prices indicated above and will be installed by the town. A nameplate with the inscription provided below will be mounted on the top board of the bench. If you wish to share the cost, we will make provisions to put two nameplates on the 6 foot bench and 3 nameplates on the 8 foot bench. In this case, the top board of each section will have a mounted nameplate inscribed with your message provided on the donation form below.

Please complete the bottom portion of the page and include your check made payable to the Town of Luray. Legibly print the inscription as you wish to have it appear on the nameplate. Limit the number of letters on each line to thirty-one characters.

Thank you,

Town of Luray
