

Luray Police Department Drug totals for past 4 years

2014	21	Crime Total percent rate 8%
2015	19	Crime Total percent rate 16%
2016	78	Crime Total percent rate 27%
*2017(Current)	65	Crime Total percent rate 22%

**2017 total is a representation as of today's date. There are several cases still pending at the lab for charges pending. Totals will surpass 2016 totals.**

**Since I have taken over as Chief of Police we have experienced a 258% increase in drug related crimes.**

The usage of a police K9 for the town. The Sheriff's Office has one Narcotic K9 which only services one squad for both departments. These numbers as applied to the K9 only support one squad.

Since the Sheriff's Office obtained there police K9 (Art) Art has conducted Free Air Sniffs on 71 vehicles.

31 of those vehicles have been for the town of Luray which is 41% usage rate.

From those 31 runs 21 charges have been placed for Narcotic related offenses

The use of the K9 has contributed to 32% of the Departments Narcotic Charges.

In deeper contrast the use of the K9 has also led to several search warrants within the town, as well as forfeited funds from the distribution of said narcotics.

Arts usage rate by department

Page Sheriff's Office- 35 times for 49%

Luray Police Department- 31 times for 43%

All other- 5 times for 7%
