The **Straight Shaft Outrigger Flag Pole** is the solution for the business that wants to fly a flag but can't install a large flagpole. The Outrigger Flag Pole mounts to your building with a sturdy bracket that is designed to fly at a close angle to avoid trees, pedestrians, or accommodate city regulations. The straight shaft flag pole is highly polished to a maintenance-free deep luster. The flagpole is offered as a Satin finish or premium natural Anodized clear finish that helps the pole keep its new shiny finish for years. The decorative round bracket displays the flag at a 30° or 45° angle from the building. The cleat is separate for mounting to the wall to secure the rope at reachable heights. Each flagpole includes a stationary truck for halyard. We suggest our Outrigger Retainer System to aid in raising and lowering the flags.

The Outrigger Flag Pole Includes:

- Aluminum Flag Pole
- Gold Anodized Aluminum Ball
- Cast Aluminum Single stationary Truck with Aluminum Pulley
- 5/16 in. Halyard Rope
- 9 in. Cast Aluminum Cleat

The 30° Flag Pole also includes:

- Two Nylon Snap Hooks

The 45° Flag Pole also includes:

TOWN OF LURAY, VIRGINIA COMPREHENSIVE PLAN 2019

FORWARD THINKING...

FOREWORD

PHILOSOPHY OF THE PLAN

Luray's Town Plan is intended to serve the purposes of evaluating community needs and addressing future development. It is a guiding document created to show the interrelationship of topics and advance important projects throughout the planning horizon.

PHILOSOPHY OF COMMUNITY DEVELOPMENT

Community development is a coordinated effort that builds on the synergy of overlapping goals. Through public involvement at public meetings and the use of social media to engage the community and encourage feedback, we can spark the readers creativity.

CREATION OF ATMOSPHERE

Luray strives to preserve its small-town charm while also providing some larger amenities and encouraging an environmentally friendly community.

VISION STATEMENT

Photo by Lara Ellis

Through Carefully Managed Growth, the Town of Luray will be....

A four-season community that maintains our small-town look and feel. Our local economy encourages and promotes a climate that fosters small business growth. Tourism remains the backbone of the local economy, and small cottage industries thrive in an atmosphere that encourages and rewards creativity, ingenuity and a sense of hometown pride.

A vital community that guarantees the prosperity of the Town and the future of all citizens. We value heritage, community pride, valley setting, recreational facilities, tourism attractions, historic character, desirable housing, and local shopping opportunities. As a safe and walkable community, our parks and greenways are well used, well maintained, and accessible.

A good community to move to, grow up in, remain a part of the community, and to retire where all residents continue to enjoy and sustain a high quality of life.

A recognizable community that values managing growth through proper planning and zoning and benefits from having a defined transition between the Town and the rural countryside. Enhanced community activities, including education opportunities, are available for all to enjoy. Our infrastructure is well-maintained and superior technology systems are provided.

An active community of historical and artistic activity, surrounded by carefully protected green spaces. Agricultural areas feature environmentally-sound management of our natural resources, and an unobstructed view of the mountains and their safeguarded ridgelines.
