A. Each position classification shall be classified by the Town Manager and allocated within the Plan according to the appropriate class title, general definition of work, the required knowledge, skills and abilities, desirable training and experience, special licensing or other unique requirements, and additional requirements deemed necessary by the Town Manager. Positions shall be allocated to the same class when their duties are sufficiently similar that:

The use of a particular expression or illustration as to duties shall not be held to exclude others not mentioned that are of a similar kind or quality.

3.4 MAINTENANCE OF THE CLASSIFICATION PLAN

A. Policy

Further, it is the policy of the Town that any overtime work necessary to the continued effective operation of the Town shall be managed in the most efficient and economical manner possible. No overtime pay or compensatory time provisions shall be in conflict with what is allowed by law under the Act.

B. Overtime Authorization

1. Overtime work shall be authorized only to cover emergencies, necessary seasonal activity, weather conditions, and unusual working requirements, and may be authorized only by department heads or their designees prior to such work being performed. It is the responsibility of each department head to determine that overtime pay is administered in the best interest of the Town. In addition, it is equally important for the department head to control unauthorized overtime. Unauthorized work by an employee shall be counted as hours worked in accordance with the Act, but shall subject the employee to appropriate disciplinary action, up to and including termination. No employee shall start work before the appointed time, work through lunch, or work past the appointed time without prior authorization from his or her department head or supervisor. - Hours of the day worked
- Type of hours earned
- Event/reason for overtime or compensation time

require a subordinate to take time off so that overtime compensation is not earned. Where overtime is necessary, the granting of overtime shall be done on a specific case by case basis and not as a general policy.

3. The Town reserves the right to require any employee in any category to take time off from work where it appears that the employee will otherwise have more than 40 hours in the current workweek, and further reserves the right to direct an employee to use accumulated compensatory time.

C. Overtime Compensation for Non-Exempt Employees

3. The employee shall be paid at 150 percent of his or her regular rate of pay for all overtime hours worked.

D. On-Call Personnel

Some employees may be periodically or rotationally assigned to on-call duty during weekends or other off-duty hours. The purpose of having employees on call is to provide prompt service to the Town's customers during irregular hours, where such response can prove instrumental to the success of the services provided by the Town. An employee assigned to on-call duty for weekend work will be paid 5 overtime hours per day (Sat., Sun. and Holidays), provided the employee remains available and is responsive to duty calls. The employee shall actively work at their duty station at least 7AM-12Noon each day. Should a call necessitate the on-call employee working longer than 5 hours, the employee will be compensated for the additional hours worked at an overtime rate. Calls received and time worked by on-call employees must be reported to the employee's supervisor on the next regular workday. The nature and amount of time worked during on-call duty are subject to verification by supervisors. Where discrepancies occur, on-call employees may be required to justify the details of their reports. Any additional hours or additional employees needed for emergency work will be reviewed and approved by the Town Manager. All departments utilizing on call employees shall use this same policy.

Commented [DB13]: Bryan added THE EMPLOYEE SHALL ACTIVELY WORK AT THEIR DUTY STATION AT LEAST 7AM-12NOON EACH DAY

The Town recognizes that the position of department head carries responsibilities that may require irregular work hours. The Town's policy is to grant a great deal of flexibility to department heads in scheduling their work hours so long as the privilege is not abused. While department heads are generally expected to work during normal business hours, department heads are authorized to take time off during normal business hours so long as there is no detrimental impact on the performance of their duties. Department heads are expected to notify the Town Manager prior to taking time off during normal business hours to prevent any interruption in the Town's operations.

Fringe Benefits Defined – A fringe benefit is a form of pay for the performance of services. The general rule under IRS Regulations is that fringe benefits for employees are taxable wages to the employee unless specifically excluded by an Internal Revenue Code Section. If a fringe benefit is taxable, it must be included as employee wages. Taxable fringe benefits can be in the form of cash or cash equivalents, property, or services. The Town will follow the guidelines set forth by the IRS.

1. Cell Phones

Town cell phones are provided to employees based upon the recommendations from Department directors. The town provided cell phone should be used primarily for town business such that it is necessary for the employer to contact the employee at all times for work related business and in emergency situations. (See also Section 11.9 Conduct – Use of Public Property)

2. Uniform Wear

Commented [DB17]: This complies with VML suggestions and IRS requirements for Taxable Fringe Benefits.

Each day of vehicle use to and from work shall constitute a benefit, determined by the IRS, for taxation purposes. Town vehicles (marked or unmarked) should only be taken home during the course of official town business, at the direction of the employee's supervisor. Employees who

4. Meals

Employee meals are considered non-taxable when provided at ones working facility for the convenience of the employee and the employer. Request must be endorsed by the department head and forwarded to the Town Manager. Employees shall not be assigned modified duty without review and approval by the Town Manager.

7. Extended Sickness or Physical Incapacity

Medical information and the staffing needs of the department shall be considered by the department head in determining the holding of the employee's position or placement in another position for which the employee qualifies.

Under certain circumstances, the nature of an employee's illness or injury may require medical treatment which necessitates leave in excess of the amounts defined by this policy. In the event of a catastrophic illness or injury, a special exception may be requested by the employee in writing and submitted to the Town Manager. The department head and Town Manager shall review the case and may grant additional sick leave based on the location and need for the extended treatment. Any leave received in advance must be paid back in full upon return to work by applying all annual and sick leave earned. It is the intent of the Town to provide maximum services to the public by maintaining normal business hours at all Town facilities. Under normal and safe conditions, employees are expected to arrive at work on time.

Adverse weather conditions (generally the result of snow or ice) and conditions which make it unsafe or unsanitary for employees to remain at work are recognized as conditions which could jeopardize the safety of employees and could therefore warrant the closing of Town facilities. The Town Manager shall determine when to announce the closing or delayed opening of Town facilities. Employees shall report to their work station unless otherwise advised by the Town Manager, or his/her designee, under this policy. Please utilize the Town’s Inclement Weather Policy.

A. Essential and On-Call Personnel and Operations/Job Sites

For the purposes of this policy, employees who report to an essential job site or occupy an essential position may be regularly scheduled to work regardless of weather conditions. Additionally, certain Town employees are considered on-call for the purpose of responding to emergency situations. The Town Manager shall determine the essential positions, and note these in their job descriptions. A list of such positions shall be provided by the Town Manager to all department heads and the town clerk.

B. Employee Responsibility

Employees shall be responsible for reporting as directed. Employees and positions not listed are considered nonessential.

C. Public Service Announcements

Public service announcements shall be announced over several local radio stations, online, or on social media when the Town Manager changes the normal business hours of Town facilities (delayed openings, closing of facilities partially or all day).

Commented [DB26]: Added terms Online and Social Media since the Town is now able to use these forms of technology to communicate closings; such as the Town's Website and Facebook Page

- A. Under the Family and Medical Leave Act (FMLA) of 1993 (in accordance with the Department of Labor), an eligible employee may be entitled to 12 weeks of paid or unpaid leave during any 12 month period.

B. Reasons for Leave

Leave may be taken:

1. to care for a child following birth, adoption or state placement of a child with the employee for foster care;
2. to care for a spouse, child or parent who has a serious health condition; or
3. for a serious health condition that makes the employee unable to perform the essential functions of the job.

C. Qualification for Leave

To qualify, an employee must have been employed by the Town for at least 12 months (need not be continuous) and must have worked at least 1,250 hours in the previous 12 months.

D. Notice Requirement

An employee is required to provide thirty (30) days notice to his/her department head if the absence is foreseeable. If the leave of absence is not reasonably foreseeable; this notification must be made as soon as practicable before the leave is to begin. Failure to give timely notice may cause leave to be delayed.

E. Medical Certification

An employee may be required to provide to the department head certification from a health care provider of the serious health condition, which requires the employee to use leave. If required, the employee must provide the certification within 15 days of the leave request or the leave may be delayed or denied. Should the Town disagree with the opinion given by your health care provider, the Town reserves the right to solicit opinions from a second or third health care provider at its expense. Additionally, an employee may be required to furnish to the department head reports on the status, intent to return and recertification of the serious health condition at no greater than 30-day intervals.

F. Use of Accrued Paid Leave

Employees are required to use all available and applicable accrued leave, before leave without pay will be granted, as part of the 12 week FMLA Leave. Usage of accrued leave will be consistent with established leave policies. Under FMLA Leave, earned annual and compensatory leave may be used without restriction; earned sick leave may be used only for the qualified leave necessitated by the serious health condition of the employee, his/her spouse, child or parent.

G. Health Insurance Continuation

During FMLA Leave, the Town will continue paying for health insurance coverage, as provided during active employment status. However, if an employee fails to return from FMLA Leave, the town may recover the premium(s) paid during the leave period of “leave without pay” status.

H. Return from FMLA Leave

Employees will be returned to their original position or to a position with equivalent pay and benefits after FMLA Leave. The Town may require a return to work medical certification and prior notification before the employee may return to work.

I. Fraudulent Leave Requests

An employee who fraudulently obtains FMLA Leave is not protected by the Act’s restoration or maintenance of health benefits provisions and will be subject to appropriate disciplinary action including dismissal.

J. Record Keeping

Department heads are responsible for keeping records designating FMLA usage and must retain these records for at least three (3) years. All medical certifications and other medical records must be forwarded to the Town Manager, and maintained in a separate file.

K. FMLA Regulations

It is the intent that this policy comply with the Family and Medical Leave Act of 1993, effective August 5, 1993. Any issue not specifically addressed herein or requiring greater definition will be reviewed with respect to the FMLA Regulations and Guidelines as current and/or amended.

CHAPTER 9

BENEFITS

The Town offers a comprehensive benefits program. Employees are encouraged to contact their department head or the Town Manager's Office with any questions about the benefits program.

It is important that employees advise the Town Manager's Office of any personal status changes (i.e., marriage, divorce, change in dependents or beneficiaries) which could affect their benefits. The following benefits are offered by the Town.

9.1 HEALTH INSURANCE

Employees are eligible to enroll in the Town's health insurance program on the first day of the month following date of employment.

The Town pays the total cost of employee only coverage. Where the employee elects dual or family coverage, the town pays 2/3 of the monthly premium.

It is the responsibility of the employee to submit claims for payment. Participating providers will submit claims automatically; claim forms may be obtained from the Town Manager's Office for the employee to fill out and submit for services by non-participating providers.

9.2 RETIREMENT

A. The Town is a member of the Virginia Retirement System. All regular full-time employees are required to enroll in VRS. The Town will pay the employer's required contribution. The employee is required by VRS to pay the employee 5% contribution.

B. Amount of Benefit

1. VRS offers several alternative methods of receiving retirement benefit payments (these options are outlined in the [Handbook for Members](#)).

2. The amount of the retirement benefit is based on three factors: the employee's average final compensation (average of highest 36 consecutive months of salary), years of service credit, and age.

C. Notice of Retirement

Employees planning retirement should contact the Town Treasurer's Office four months prior to retirement to ensure sufficient time for application of all retirement benefits.

D. Disability Retirement

1. Employees may apply for disability benefits if they become mentally or physically unable to perform their present duties, and the disability is likely to be permanent.
2. Regular disability retirement (for conditions that are not work-related) may be granted if medical conditions warrant and all other qualifications established under the retirement program are met.
3. A work-related disability results from a cause compensable under the Virginia Workers' Compensation Act. The amount of compensation provided by the retirement program is coordinated with any benefits received under Workers' Compensation and Social Security disability benefits.

9.3 GROUP LIFE INSURANCE

The Town is covered under the group life insurance program administered by the Virginia Retirement System. All full-time employees are covered. The basic amount of life insurance coverage for each employee is equal to the employee's salary rounded to the next highest thousand, then doubled. The Town pays 100% of the premium for the basic coverage.

Optional Life Insurance, in addition to basic coverage, is available at the employee's own expense.

9.4 TUITION ASSISTANCE

Employees wishing to take job related courses on employee's own time will be reimbursed for books and tuition upon completion of the course with a grade of B or better.

The Town will pay for the employee to take a water or sewer license test.

The Town will pay for the cost of the CDL DMV license, when required by the Town for the performance of the employee's duties.

Commented [DB28]: Per Town Manager, The Employer will pay for the license if the employee must take the test more than one time. Due to the difficult nature of finding licensed operators it is critical to pay for these costs.

9.5 WORKERS' COMPENSATION

A. Coverage

1. The Town provides workers' compensation insurance coverage at no cost to employees. This insurance program covers an injury (by accident) or illness (occupational disease) which arises out of and in the course of employment that requires medical, surgical, or hospital treatment. Workers' compensation coverage is provided to all regular and temporary employees, both full and part-time.

2. There are several types of benefits provided by the Virginia Workers' Compensation Act which generally include time-loss benefits after seven (7) calendar days for temporary or permanent partial disability, death benefits, paid medical expenses, and rehabilitation services.

B. Program Administration

1. Notification to the Town Manager's Office shall be within two hours of the first business day following any injury or illness which occurred during emergency or other hours outside the regular business day. The Town Manager shall be notified immediately (at home if after hours) in the event of a fatality.
2. Each department shall establish procedures for notification of appropriate personnel for emergency and after-hours situations, including notification of injury or illness of employees during such times. Departmental procedures shall be communicated to all employees affected.
3. Employee Responsibility

a. *Immediate Notification of Injury/Illness*

It is mandatory that every work-related injury or illness regardless of severity, be reported immediately by the employee to his/her immediate supervisor. In addition when circumstances allow, the employee is to complete the written incident report at the time of supervisor notification. Failure to report an injury/illness promptly may result in loss of compensation and payment of medical expenses.

b. *Completion of Required Report(s)*

Within the first 2 hours following injury, the employee shall be responsible for completing a report of the incident using forms provided for this purpose. Upon completion, the employee shall give the report to his/her department head to review the report.
(Attachment A)

4. Immediate Supervisor Responsibility

a. *Town Manager Notification*

The department head shall contact, or designate someone within the department to contact, the Town Manager's Office to advise of the following:

- 1) An injury/accident immediately upon receipt of employee notification; and
- 2) An employee's return to work or change in work status.

b. *Completion of Required Report(s)*

- 1) The department head shall review the incident report to ensure that it is complete. The department head shall assist the employee, when necessary, to complete all required information. In addition, the department head shall complete the report if the seriousness of the injury/illness precludes the employee from doing so, and shall later, when able, get a written statement from the incapacitated employee.
- 2) The incident report shall be forwarded to the Town Manger's Office within three hours of an incident.

C. *Amount of Compensation During Incapacity*

An employee receiving workers' compensation salary continuation may use accumulated sick leave in order to maintain his/her regular income. Compensatory leave and then annual leave may be used if the employee's sick leave balance is exhausted. However, in no case shall the total wages received be greater than what the employee's base pay would be if he/she were not incapacitated.

D. *Use of Leave Pending Claim for Workers' Compensation*

If a workers' compensation claim is initially denied by the VWCC and later, after a VWCC hearing, the claim is subsequently determined to be compensable under the Act, a leave adjustment shall be made to credit the employee's leave balance(s) for the portion of workers' compensation awarded.

E. *Modified Work Assignments*

1. The Town actively supports a selective return-to-work program. For claims deemed compensable by the workers' compensation insurance carrier, every effort shall be made within the employee's department to find a suitable modified work assignment for an employee unable to

perform his/her regular duties. Any return to work action taken by the Town shall be in accordance with Virginia compensation laws.

2. The modified work assignment shall be based upon the treating physician's medical evaluation (including information on required medical treatments, recovery prognosis, work restrictions, and time frames). The department head and Town Manager shall carefully consider the medical report(s) and the availability of suitable modified duty prior to initiating a modified work assignment.
3. An injured employee who refuses any suitable employment, shall not be entitled to any compensation at any time during the continuance of such refusal, unless in the opinion of the VWCC the refusal was justified.

9.6 SOCIAL SECURITY

All Town employees are covered under the Federal Old Age, Survivors, and Disability Insurance Program, commonly referred to as Social Security. Federal Insurance Contribution Act (FICA) taxes are paid both by the Town and employee in equal amounts to fund Social Security.

9.7 UNEMPLOYMENT COMPENSATION

All employees are covered under the Virginia Unemployment Compensation Act. Employees who are laid off, dismissed, or otherwise terminated by the Town for reasons other than gross misconduct or improper acts shall be entitled to apply for unemployment compensation under the rules and regulations of the Virginia Employment Commission (VEC). Application eligibility is determined by the VEC on an individual case-by-case basis.

9.8 AFFECT OF EMPLOYMENT STATUS CHANGE OF BENEFITS

A. Termination of Employment

1. Health Insurance

- a. The Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) gives employees and their qualified beneficiaries the opportunity to continue health insurance coverage under the Town's health plan when a "qualifying event" would normally result in the loss of eligibility. Some common qualifying events are: termination of employment (i.e., resignation, retirement); death of an employee; a reduction in an employee's hours from full-time to part-time; an employee's divorce or legal separation; or when a dependent child no longer meets eligibility requirements.

- b. Under COBRA, the employee or beneficiary pays the full cost of coverage at the Town's group rates plus an administration fee.
- c. Employees shall notify the Town Manager's Office of any qualifying events.

9.9 AMENDMENTS OF BENEFITS

Current benefits may be amended, modified, added, or eliminated by the Town Council at any time.

9.10 QUESTIONS CONCERNING BENEFITS

All questions concerning eligibility for various benefits or the proper procedures to be followed to qualify for any benefits discussed in this section should be referred to the Town Clerk/Treasurer's Office.

- A. An employee may be separated from Town service by any one of the following methods:

Resignation – Voluntary separation initiated by an employee who chooses to leave Town service.

Layoff – A temporary or indefinite reduction in the workforce due to economic conditions, lack of work or funds, Town or department reorganization, or other appropriate reasons, initiated by the Town.

Dismissal - Involuntary separation initiated by the Town as a result of an employee's unsatisfactory work performance or misconduct.

- B. Regular full-time employees may be eligible to apply for:

Retirement – The provisions of the Virginia Retirement System shall apply.

Disability Retirement – Separation initiated by the employee or by the Town when an employee is unable, for health reasons, to continue to work. Depending on the circumstances, the employee may be eligible for disability retirement in accordance with the provisions of the Virginia Retirement System.

12.2 RESIGNATION

- A. An employee desiring to resign in good standing shall submit a signed written notice, to include the reason for resignation, the effective date and signed by the employee to the employee's supervisor at least 14 calendar days prior to the effective date of resignation. Certain employees may be required to give a 30-day notice. The department head and the employee resigning by mutual consent, may waive or modify the advance notice requirements.
- B. An employee who has submitted his/her resignation may be continued in his/her position as though the resignation had not be filed, on his/her written request for authorization to withdraw the resignation, filed before the effective date thereof, with the approval of the Town Manager, unless the position has been filled in the meantime.
- C. Failure to comply with Section 12.1.A of this policy may be entered on the employee's personnel records and may be grounds for refusal to re-employ the employee.

12.3 RETIREMENT

Eligible employees who are planning to retire from Town service shall submit written notification to their department head at least four months prior to the retirement effective date. The written notice shall be forwarded to the Town Manager's Office.

Retirement benefits are stipulated in the Town's retirement plan.

12.4 LAYOFF

The Town Manager has the right and obligation to manage the workforce to best serve the interests of the Town and may require implementation of this reduction in workforce procedure. Unless specific instruction is received from the Town Manager, the following shall serve as the general procedure for a reduction in workforce for positions under the control of the Town Manager.

- A. When a reduction in the workforce necessitates the actual removal of personnel because of reduced appropriations, lack of sufficient work or funds, or Town-wide or departmental reorganization, layoffs may be ordered by the Town Manager in the following order:
 - 1. The order of the layoffs shall be inverse to the relative value of the employees to the Town as determined by the Town Manager.
 - 2. No regular full-time employee shall be laid off from any position while any temporary employee's employment is continued in the same position classification.
 - 3. No regular part-time employee shall be laid off from any position while any temporary part-time employee's employment is continued in the same position classification.
- B. The Town Manager's Office is responsible for executing the necessary written notices and notifying employees of layoff decisions and correspondence. Department heads shall immediately advise the Town Manager's Office of any personnel problems arising from a layoff.
- C. Notice of Layoff
 - 1. Insofar as practical, all employees to be laid off shall be provided a minimum written notice of 14 calendar days.
 - 2. Department heads shall personally meet with each affected employee to inform the employee of the layoff decision.

D. Recall Lists

1. All employees who are laid off as a result of this policy shall be placed on a Recall List for their position classification and within their department until a job offer is made or for one year from the date of separation, whichever comes first. Once a job offer is made, whether accepted or refused, the laid off employee shall be removed from the Recall List.
2. Individuals recalled to fill the same position from which they were originally removed shall be restored to regular employment status and not serve a probationary period.

E. Employee Responsibility

Any employee laid off and placed on a Recall List is responsible for notifying the Town Manager of any change in address or telephone number. Employees shall be notified to return to work by registered mail. Any individual who fails to report to work as directed within five workdays following receipt of notification to return to work shall be removed from the Recall List and no additional efforts shall be made to contact the individual.

F. Aid to Employees

Employees who are laid off under a reduction in force directive are eligible to apply to the Virginia Employment Commission for unemployment compensation. Laid off employees shall be paid for accrued annual and compensatory leave.

12.5 SEPARATION DATE

- A. When an employee separates from Town service, the effective date must be the last day that such employee is physically on the job. The Town will not be liable for matters affecting the employee following his/her physical absence from the job. It is not permissible to delay the effective date of separation by any amount of accumulated annual or compensatory leave due the separated employee. Pay for any annual and compensatory leave balances due to eligible employees shall be paid in a lump sum basis.
- B. If an employee is on approved sick leave, workers' compensation leave, or leave without pay when separated, the effective date of separation shall be the actual date of separation as given by the employee and approved by the Town Manager.
- C. When the effective separation date immediately precedes a holiday, the employee shall not be paid for the holiday.

12.6 RETURN OF TOWN PROPERTY

- A. Employees are responsible for all property, materials, and written information issued to them or in their possession or control. Employees must return all Town property that is in their possession or control in the event of separation from employment, or immediately upon request to the department head or other Town authorized designee.
- B. The Town may withhold from the employee's final paycheck the cost of any items that are not returned in proper condition. The Town may also take all action deemed appropriate to recover or protect its property.

12.7 DISCIPLINE

- A. Disciplinary action may take the form of an informal counseling session or formal written notice, or other disciplinary action as set forth herein depending upon the severity of the situation. Counseling is not mandatory prior to taking formal disciplinary action, depending on the circumstances.
- B. The department head shall consult with the Town Manager when considering disciplinary action beyond verbal reprimand.
- C. All disciplinary actions beyond verbal reprimand are initiated by the Town Manager based upon the justification(s) and recommendation(s) of the department head.
- D. All disciplinary actions beyond verbal reprimand shall be documented in writing to the employee with a copy to the employee's personnel file.
- E. Disciplinary action includes:
 - 1. Verbal Reprimand: A discussion between the department head and the employee where the employee is advised and cautioned with reference to unsatisfactory work performance or misconduct.

The department head shall maintain departmental records to document that such discussion took place, when it took place, what was discussed and who was present; depending on the severity of the offense, such documentation may be placed in the employee's personnel file.
 - 2. Written Reprimand: A reprimand reduced to writing which documents the unsatisfactory work performance or misconduct and recommends specific guidance for corrective action.

3. Suspension: A temporary removal from duty of an employee for cause where the situation is not sufficiently grave to merit dismissal. The length of time shall depend on the seriousness of the offense.
 - a. An employee may be suspended without pay; or
 - b. An employee may be suspended with pay for the purpose of completing investigatory and administrative processes concerning allegations against the employee.
 - c. For any suspension without pay in excess of seven calendar days, the department head shall provide the employee with an explanation of the reason for the Town's action and an opportunity to present his/her side of the story.
 - d. Where an employee is charged with a criminal act, the outcome of the criminal case shall not necessarily affect the outcome of the administrative investigation. The fact that a person is acquitted of the charge does not necessarily mean the suspension or other disciplinary action will be revoked.
4. Withholding of Merit Salary Increase: The denial or postponement of a merit increase within the pay range of a class which is normally awarded upon the employee's completion of a prescribed period of successful job performance.
5. Administrative Decrease: A reduction within the pay range of a class as a disciplinary action resulting from unsatisfactory job performance, loss of a required license or certification that resulted in a pay increase, not completing additional duties (such as weekend on call duties) that resulted in a pay increase, or misconduct.
6. Disciplinary Demotion: Demotion of an employee, for disciplinary reasons, may occur when it is determined that the employee's work has not been satisfactory after providing the opportunity and guidance for improvement, and the Town wishes to retain the employee. The employee shall meet the qualification requirements of the new, lower pay range, position prior to appointment. If the demotion is specified as temporary, the length of the demotion shall be so stated.
7. Dismissal: An employee may be dismissed from Town service upon the recommendation of the department head, subject to the review and approval of the Town Manager.

Before any employee may be dismissed, the department head shall provide the employee with an explanation of the reason for the Town's action and an opportunity to present his/her side of the story. If the employee is dismissed, such dismissal shall take effect immediately.

Commented [DB32]: Added decrease due to "loss of licensure or certification" essential to job function that previously resulted in a pay increase.

F. Causes for Disciplinary Action

The following are examples of unsatisfactory work performance and misconduct which may result in disciplinary action up to and including suspension or dismissal. (list not inclusive)

1. Excessive absenteeism or excessive tardiness;
2. Abuse of leave;
3. Absent without approved leave;
4. Insubordination;
5. Possession, distribution, sale, transfer, or use of alcohol or illegal drugs in the workplace, during hours, or while operating Town-owned vehicles or equipment.
6. Deliberate or grossly negligent or improper conduct endangering the safety of self or others, or which leads to damage of Town-owned or public property;
7. Theft, unauthorized use, unauthorized removal, possession of or vandalism of Town records or property, or employees' property;
8. Falsification of or damage to Town records (i.e., employment application and supporting documents, timekeeping records, safety records and reports, expense reports);
9. Unauthorized disclosure of Town records and information;
10. Participating in a work slowdown, sit down, or strike;
11. Unlawful conduct, on or off duty, when the conduct impairs the efficiency of the Town service or brings it into public disrepute;
12. Willfully violating safety or health rules where there is a threat to life or health;
13. Boisterous or disruptive activity, fighting, or threatening violence in the workplace;
14. Smoking in prohibited areas;
15. Sexual or other unlawful harassment;
16. Possession or use of dangerous or unauthorized materials, such as firearms, weapons, or explosives in the workplace.

17. Unauthorized and/or inappropriate use of town vehicles, equipment, computers, phones, mail system, or other Town-owned property;
18. Violation of Town rules, policies, ordinances, procedures, or applicable federal/state regulations.
19. Improper use of authority or position; and
20. Use of abusive or threatening language toward employees, supervisor(s), or the public.

Dismissals may be warranted in other circumstances where the employee does not meet the conditions of employment for the position, such as unsatisfactory job performance as evidenced by receiving two consecutive unsatisfactory performance evaluations; failure to maintain valid licenses or other qualifications necessary to perform the job; or inability to perform the work required, with or without reasonable accommodation.

CHAPTER 13
GRIEVANCE PROCEDURE

13.1 GRIEVANCE PROCEDURE

A. Purpose

The purpose of the Town of Luray Grievance Procedure is to afford an immediate and impartial method for the resolution of disputes which may arise between the Town government and Town employees.

B. Coverage

All regular full-time Town employees, excluding probationary employees, are eligible to file grievances as provided in this policy with the following exceptions:

1. Town Manager
2. Town Clerk/Treasurer
3. Town Attorney
4. Any current and/or future employee appointed by the Town Council to serve at its pleasure.
5. If any of the people listed above are a party to any grievance filed, or the focus of a written complaint, then the employee shall file their grievance with the Mayor and each Council Member in writing.

C. Definition of Grievance

A grievance shall be a complaint or dispute by a covered employee relating to his/her employment, including but not necessarily limited to:

1. Disciplinary actions – including dismissals, disciplinary demotions and suspensions. Dismissals shall be grievable whenever resulting from formal discipline or unsatisfactory job performance.
2. The application or interpretation of personnel policies, procedures, or rules and regulations.
3. Acts of reprisal as the result of utilization of the Grievance Procedure, or of participation in the grievance of another Town employee.
4. Complaints of discrimination on the basis of race, color, creed, political affiliation, age, marital status, religion, handicap, disability, national origin or sex.

5. Acts of retaliation because the employee has complied with any law of the United States or of the Commonwealth, has reported any violation of such law to a governmental authority, or has sought any change in law before the Congress of the United States or the General Assembly.

D. Management Responsibilities

Management reserves the exclusive right to manage the affairs and operations of the Town government. Accordingly, complaints regarding the following are not grievable:

1. The establishment and revision of wages or salaries, including annual performance evaluations and periodic pay adjustments, position classifications or general benefits.
2. Work activity accepted by the employee as a condition of employment or work activity which may reasonably be expected to be a part of the job content.
3. The contents of ordinances, statutes or established personnel policies, procedures, rules and regulations.
4. Failure to promote except where the employee can show the Town Manager that established promotional policies were not followed or applied fairly.
5. The methods, means and personnel by which such work activities are to be carried on.
6. Termination, layoff, demotion or suspension from duties because of lack of work, reduction in force, or job abolishment.
7. The hiring, promotion, transfer, assignment and retention of employees within the Town service, or a demotion requested by an employee.
8. The relief of employees from duties in emergencies.

E. Standing to Pursue a Grievance

A grievant must be personally and directly affected by an occurrence or condition before he/she shall be permitted to pursue a grievance. No employee may grieve another employee's job performance unless such job performance directly or adversely affects the grievant's own employment. Disputes as to an employee's standing to file a grievance shall be determined as shall any other disputes as to grievability as set forth in Section F.

1. Decisions regarding whether or not a matter is grievable under this procedure shall be made by the Town Manager as set forth below. Decisions as to grievability shall be made at the request of the grievant or the grievant's department head, within ten days of such request. A copy of the ruling shall be sent to the grievant and to the grievant's department head. Decisions by the Town Manager that an issue is not grievable may be appealed by the grievant to the Circuit Court for a hearing de novo on the issue of grievability as provided in the appropriate sections of the Code of Virginia. Pursuant to those sections proceedings for the review of the decision of the Town Manager shall be instituted by filing notice of appeal with the Town Manager within ten (10) days after the date of his/her decision as to grievability and by giving a copy of such notice to all other parties of the grievance. Within ten (10) days after receiving notice of appeal, the Town Manager shall transmit to the Clerk of the Circuit Court a copy of his/her decision, a copy of the notice of appeal, and any exhibits which may have been provided in connection with the resolution of the issue of grievability. A list of the evidence furnished to the Court shall also be furnished to the grievant. The failure of the Town Manager to transmit the record within the time allowed shall not prejudice the rights of the grievant. The Circuit Court, on motion of the grievant, may issue a writ of certiorari requiring the Town Manager to transmit the record by a certain date. Within 30 days of receipt by the Clerk of such records, the Court, sitting without a jury, shall hear the appeal on the record transmitted, and such additional evidence as the ends of justice require. The court may affirm, reverse or modify the decision of the Town Manager. The Court's decision shall be rendered no later than the fifteenth day from the date of conclusion of the hearing. The decision of the Court is final and is not appealable.
2. All matters from the institution of a request that the Town Manager determine the issue of grievability, through the notation of appeal of an adverse decision by the Town Manager, shall be recorded on forms provided for those purposes.
3. The issue of grievability may be raised at any step of the Grievance Procedure prior to the panel hearing provided in Section L of this procedure; but once raised, the issue must be resolved before further processing of the grievance. In any event, the issue of grievability must be resolved prior to the panel hearing or it shall be deemed to have been waived by all parties. A request that grievability be determined shall toll the time limits under this procedure. Time limits shall begin to run again the day after the decision that a matter is or is not grievable is made by the Town Manager or the Circuit Court.

4. The classification of a complaint as non-grievable by either the Town Manager or the Circuit Court shall not be construed to restrict any employee's right to seek, or management's right to provide, customary administrative review of complaints outside of the scope of the Grievance Procedure.

G. Policy Generally

1. All stages of the Grievance Procedure beyond the First Step provided in Section I shall be reduced to writing on forms supplied by the Town Manager's Office.
2. The grievant is entitled to representation at the Third Step as provided in Section K. Such representation shall be at the grievant's expense. Nothing in this section shall preclude the presence of witnesses for either party being present at Step Two.
3. Once an employee reduces the grievance to writing, the grievant shall specify on the appropriate form the specific relief he/she expects to obtain through the use of this procedure. When the employee expresses his/her grievance in writing, he/she shall first obtain the required forms from the Town Manager's Office. That office shall thereupon open a file on the grievance, assign it a number, and shall assist the grievant and the department head in ensuring that all papers are transmitted throughout this process in a timely fashion.
4. After the initial filing of a written grievance, failure of either party to comply with all substantial procedural requirements of the Grievance Procedure without just cause shall result in a decision in favor of the other party on any grievable issue, provided the party not in compliance fails to correct the noncompliance within five working days of receipt of written notification by the other party of the compliance violation. Such written notification by the grievant shall be made to the Town Manager. Failure of either party without just cause to comply with all substantial procedural requirements at the grievance panel level shall result in a decision in favor of the other party.
5. The Town Manager may require a clear written explanation of the basis for a just cause extension or exception. The Town Manager shall determine compliance issues. Compliance determinations made by the Town Manager shall be subject to judicial review by filing petition with the Circuit Court within 30 days of the compliance determination. Any decision made by the Circuit Court is final and is not appealable.

6. If any of the management staff listed in this policy are a party noted in the grievance, then the grievant shall file their initial notice with the next highest management level. (Immediate Supervisor, Department Head, Town Manager, Grievance Panel).

H. Consolidation of Grievances

In the event that an employee files more than one grievance, the Town Manager may, at any time prior to a panel hearing, consolidate those grievances for joint processing. If the grievances are consolidated, the processing of the first grievance shall be suspended until such time as the last filed grievance proceeds to the same point in this procedure. Once consolidated, the grievances shall be processed at the same time.

I. First Step – Immediate Supervisor Level

1. Within 20 calendar days after the occurrence or condition giving rise to the grievance, the employee affected shall identify the grievance verbally to his/her immediate supervisor. Within five days of such presentation, the immediate supervisor shall give his/her response orally to the employee with respect to the particular grievance, or shall advise the employee that additional time is needed, the immediate supervisor must render the decision verbally within three days after notice of the need for additional time is given.
2. If a satisfactory resolution is not reached by this informal process, the employee shall reduce his/her grievance to writing, identifying specifically and in detail the nature of the grievance and the requested remedy, on a form provided for that purpose. Grievants shall be entitled, should they prevail in their grievance, only to the relief specifically requested. Such grievance shall be presented to the immediate supervisor within three days of the supervisor's verbal reply to the oral grievance. The supervisor shall then reply in writing within three days to this written grievance.
3. In the event that an employee's immediate supervisor is the department head, the grievant shall pass the First Step of this procedure and proceed immediately to the Second Step.

J. Second Step – Department Head Level

1. If a satisfactory resolution of the grievance is not reached at the First Step, the employee may so indicate on the grievance form provided and submit the grievance to his/her department head within five days. Within five days of such submission, a meeting shall be held with the grievant and the department head to review

the grievance. This time may be extended by the mutual agreement of the department head and the employee.

2. At the meeting provided for above, the only persons who may be present are the grievant, one person representing the appropriate management level at which the grievance is being heard, and appropriate witnesses for each side. Witnesses shall be present only while actually providing testimony. The meeting may be adjourned to another time or place by agreement of the parties. The department head shall provide the employee with a written reply to the grievance within five days after the meeting.
3. In the event that an employee's department head is the Town Manager, then the grievant shall pass the Third Step of this procedure and proceed immediately to Step Four.

K. Third Step – Town Manager Level

If a satisfactory resolution of the grievance has not been reached at the termination of the Second Step, the employee may submit the grievance to the Town Manager. Submission to the Town Manager must occur within five days following receipt of the response from the department head. The Town Manager shall then meet with the employee within three days or indicate that an extension is necessary. The extension shall not exceed three additional days, except by mutual agreement. The employee, at his/her option, may have a representative of his/her choice at the Third Step meeting. If the employee is represented by legal counsel, the Town Manager likewise has the option of being represented by counsel. The Town Manager shall render a written response to the grievance within five days following the Third Step meeting. The Town Manager shall ensure that a tape recording of such meeting is made and retained in his/her custody for not less than 12 months. The grievant shall be entitled to a copy of the tape recording upon payment of a reasonable fee.

L. Fourth Step – The Grievance Panel

1. If a satisfactory resolution to the grievance is not reached at the Third Step, the grievant may submit the grievance to an impartial grievance panel. The request for a hearing before a grievance panel shall be indicated by the grievant on a form provided for that purpose and submitted to the Town Manager within five days of receipt of the Third Step response.
2. The Town Manager shall schedule the grievance panel hearing. In the event that the Town Manager is a party to the grievance, or in his/her absence, the Assistant to the Town Manager shall make the necessary arrangement.

M. Composition of Grievance Panel

1. The Grievance Panel shall be composed of three impartial members who shall be chosen in the following manner: one member shall be appointed by the grievant, one member shall be appointed by the Town Manager, and the third member shall be appointed by the first two. To ensure an impartial panel, such panel shall not be composed of any person having direct involvement with the grievance being heard by the panel, or with the complaint or dispute giving rise to the grievance. Staff members who are in a direct line of supervision of a grievant and the following relatives of a participant in the grievance process or participant's spouse are prohibited from serving as panel members: Spouse, parent, child, and descendants of a child, sibling, niece, nephew, and first cousin. No attorney having direct involvement with the subject matter of the grievance nor a partner, associate, employee or co-employee of such attorney shall serve as a panel member. In the event that an agreement cannot be reached as to the final panel member, the Chief Judge of the Circuit Court shall select the third panel member pursuant to the appropriate section of the Code of Virginia.
2. Both the grievant and the Town Manager shall select the first and second members of the panel within five days after the request for a panel hearing shall have been filed. These members shall, in turn, select the third member within ten days after the request for a panel hearing shall have been filed.
3. In the event that the first two members cannot reach an agreement as to the third member within such ten day period, then the Town Manager shall forward the request for appointment of a third member to the Circuit Court immediately upon notification by the first two members that they are unable to agree.
4. The third member of the grievance panel shall serve as Chairperson, shall set the time for the hearing, and notify the grievant and the Town Manager thereof. The hearing shall be held within 20 days after selection of the third panel member. Any party may have present at this meeting a representative of his/her choice. The Town Manager shall ensure that each panel member has copies of all written materials and forms submitted in connection with the grievance. The Town Manager shall appoint an impartial employee who is not a party to the grievance or a spouse or a relative to attend the hearing for the purpose of recording the proceedings.

5. The majority decision of the grievance panel shall be final and binding as to any grievance submitted to it and shall be consistent with provisions of law and written policies.
6. The grievance panel is constituted solely for the purpose of determining whether a grievance filed by an employee is merited and what remedy, if any, should be provided. The grievance panel shall not formulate or change policy, rules or procedures. The grievance panel shall determine whether the grievant has demonstrated, by a preponderance of the evidence, that the action complained of was without cause, or done in violation of a law, rule, regulation or other policy. It shall not otherwise substitute its judgment for that of management.

N. Rules for Grievance Panel Hearings

1. The grievance panel shall have the discretion to determine the propriety of attendance at the hearing of persons not having a direct interest in the hearing. However, at the request of either party, the hearing shall be private.
2. The Town Manager shall provide the grievance panel with copies of all documents and records germane to the grievance prior to the hearing and provide the employee with a list of the documents furnished to the grievance panel. The employee and his/her attorney, at least ten days prior to the scheduled panel hearing, shall be allowed access to and copies of all relevant documents intended to be used in the grievance proceeding.
3. The grievance panel has the authority to determine the admissibility of evidence without regard to the burden of proof, or the order of presentation of evidence, so long as a full and equal opportunity is afforded to all parties for the presentation of their evidence.
4. All evidence shall be presented in the presence of the grievance panel and the parties.
5. Documents, exhibits and lists of witnesses shall be exchanged between the parties in advance of the hearing.

O. Conduct of Grievance Panel Hearings

The grievance panel shall conduct the hearing as follows:

1. The grievance panel may at any time ask the parties or their representatives for statements clarifying the issues involved in the grievance.

2. Exhibits, when offered by the grievant or the department head, may be received in evidence by the panel and when so received shall be marked and made a part of the record.
3. The parties may offer evidence and cross examine witnesses and shall produce such additional evidence as the panel may deem necessary to form an understanding and determination of the dispute. There shall be no formal rules of evidence for the panel; however, the panel shall be the judge of relevancy and materiality of any evidence offered. The grievant shall proceed first and shall bear the ultimate burden of persuasion. The Town shall proceed next.
4. The Chairperson shall specifically inquire of all parties whether they have any further proof to offer or witnesses to be heard. Upon receiving negative response, the Chairperson shall permit the parties to summarize their cases and shall then declare the hearing closed.
5. The hearings may be reopened by the panel on its own motion or upon application of a party for good cause shown at any time before a final decision is made.
6. In all matters not otherwise covered by this section, the panel shall determine the procedures to be followed.
7. The Town Manager shall ensure that a tape recording of the hearing is made and retained in his/her custody for not less than 12 months. The grievant shall be entitled to a copy of such tape recording upon payment of a reasonable fee.

P. Decision of Grievance Panel

1. The decision of the grievance panel shall be filed in writing by the panel Chairperson with the Town Mayor, the Town Manager, and the grievant, not later than 15 days after the completion of the hearing. The decision shall summarize the grievance and the evidence, shall make specific findings of fact, and shall state in full the reasons for the decision and the remedy to be granted. Decision shall be made by majority vote of the entire panel.
2. The grievant shall bear any cost involved in employing representation and in preparing his/her case.
3. If the panel determines that the grievance is meritorious in whole or part it may (as to that portion which is meritorious):

- a. Order that an employee be reinstated to a former position; award back pay; order expungement of information contained in the employee's personnel files, or other files maintained by the Town; or render opinions as to the application or interpretation of the personnel management system for the Town or rules and regulations adopted thereunder, as they may relate to the specific facts of the case before it.
- b. If the panel finds that the Town failed to follow established procedures governing promotion, demotion, transfer, hiring or layoff, it shall remand the grievance with the instructions that the action taken by the Town Manager be rescinded, and proper procedures be followed for the matter at issue. In connection with such remand, the panel may make provisional orders governing the case (i.e., a person improperly promoted to a position may continue to serve temporarily in the position to which he/she was promoted, pending compliance with appropriate procedures).
- c. The panel may affirm or modify any decision reached by any supervisor at any previous stage of the grievance proceedings.

Q. The Implementation of Remedy

1. The Town Manager shall implement any remedy which may be ordered by the panel, provided that such decision is consistent with law and written policies.
2. In the event the Town Manager does not implement the remedies ordered by the panel, the grievant may petition the Circuit court for an order requiring implementation of the decision of the panel.

R. Computation of Time

1. Except where otherwise provided, time periods under these regulations shall be deemed to begin on the day following that on which any action is to be taken or response rendered and to run without regard to weekends or holidays. If a time period herein provided ends on a weekend or holiday, the last day of the time period shall be deemed to be the end of the business day of the first working day following.
2. Time limits established under this procedure are intended to be strictly construed and enforced. Time limits may be extended by mutual agreement of all parties; provided however, that if the

Town Manager consolidates grievances under Section H of this procedure, the employee's consent need not be obtained.

CHAPTER 14

DRUG AND ALCOHOL TESTING POLICY

14.1 PURPOSE

The Town of Luray recognizes that alcohol and drug abuse has become a serious problem across America. It is, therefore, the goal of the Town to establish and maintain a safe and healthy workplace for its employees, free from drug and alcohol abuse, and to protect the safety of its citizens by providing the highest quality of service.

The Town is committed to assisting employees who may be experiencing problems with drugs or alcohol. The Town's desire to assist employees does not relieve the Town of its responsibility to maintain a drug-free workplace. The use of alcohol, illegal drugs, or the misuse of prescription drugs is not acceptable in the Town workplace. Such behavior seriously affects job performance and can create danger to citizens and co-workers. In addition, the use of illegal drugs is not acceptable at any time or place. The policy and regulations pertaining to drug-free workplace must be followed by all employees of the Town.

14.2 POLICY

It is the policy of the Town of Luray that all Town work sites shall be maintained as a drug-free workplace.

No employee shall unlawfully manufacture, distribute, dispense, possess, or use on or in the workplace, any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, or any other controlled substance, as defined in Federal Statutes and Federal Regulations.

"Workplace" is defined to mean any site for the performance of work by the employee, including but not limited to any Town building or premise; any Town-owned vehicle or equipment; any building or premise used by the Town for Town business; and any non-Town property during any Town-sponsored or Town-approved activity, event, or function. "Workplace" also includes all Town-owned property such as, but not limited to offices, desks, lockers, safes, file cabinets, toolboxes, etc.

As a condition of employment, each employee shall notify his or her supervisor of his or her conviction of a criminal drug statute (Which includes drug and alcohol convictions) no later than five (5) days after such conviction.

As a condition of employment, each employee shall abide by the terms of this town policy and regulations respecting a drug-free work place.

All Town work sites and all Town-owned property are subject to drug detection inspection at the discretion of the Town.

The possession and/or consumption of illegal drugs or alcoholic beverages in the workplace are prohibited. Violation of this policy and regulations will result in appropriate disciplinary action up to and including termination of employment.

All employees will be required to sign a form indicating that they have received and read a copy of this policy.

14.3 DRUG AND ALCOHOL TESTING

Drug and/or alcohol tests shall be required in the following cases:

1. Where an applicant for any full time Town position has been given a conditional offer of employment, subject to passage of a drug screening.
2. Where an employee in a Town position that is critical to the safety and security of employees or citizens has been selected for a random drug screening by a computer-based program.
3. Where there is reasonable suspicion that any Town employee, regardless of position or employment status, is under the influence of illegal drugs or alcohol.
4. Where a Town employee, regardless of position (or employment status), has been authorized to return to work at the recommendation of the Town's Medical Review Officer (MRO) and the Town Manager (or, if the Town Manager has been tested, the Personnel Committee Chairman) after testing positive for drug or alcohol use and referral to an employee assistance program. Testing may occur on an unannounced basis for 18 months after the employee returns to work.
5. As required by the Omnibus Transportation Employee Testing Act of 1991 and regulations of the Federal Highway Administration, all employees and applicants who hold or are offered a position that requires a Commercial Drivers License (CDL) as a condition of employment and continues employment will be tested for drugs and alcohol under the following conditions:
 - A. Pre-employment
 - B. Random selections
 - C. Post-accident
 - D. Reasonable suspicion
 - E. Return to work after testing positive and follow-up

A refusal to immediately submit to a drug test when requested under the circumstances above or a verified finding of alcohol or illegal drug use may result in the withdrawal of a conditional offer

of employment or disciplinary action up to and including termination.

14.4 TEST PROCEDURES IN GENERAL

The administration of the drug and alcohol testing program will be in accordance with the Department of Transportation Regulations, Federal Highway Administration and the Drug-Free Workplace Act. Detailed provisions are listed in the regulations regarding the collection, labeling, and transporting of the sample. Specific requirements regarding confidentiality are also included. An Evidential Breath Testing device operated by a trained Breath Alcohol Technician (BAT) will be used for the detection of controlled substances. All employees tested will be required to sign an authorization and consent form releasing the information to the employer. The testing of the sample will be performed by a laboratory approved by the National Institute of Drug Abuse (NIDA), including a NIDA panel screening with Gas Chromatography/Mass Spectrometry (GC/MS) confirmation on all positive tests. The panel includes screening for amphetamines, marijuana, cocaine, opium, and phencyclidine (PCP). The cutoff level for each substance tested for, both drugs and alcohol, will be consistent with those currently recommended by the Federal Department of Transportation Guidelines. The cost for all drug/alcohol tests will be borne by the Town.

Any employee subject to testing under this plan will be permitted to provide urine specimens in a manner such that the employee is not observed while actually providing the specimen, unless there is reason to believe that the employee has altered or substituted the urine specimen provided. If it is determined that the employee has altered or substituted the urine specimen provided, the employee may be immediately terminated.

Failure to appear for testing without prior notice acceptable to the Town will be considered refusal to participate in the testing and will subject the employee to the full range of disciplinary action, up to and including termination; or in the case of an applicant, the rescinding of a conditional offer of employment.

When a confirmed positive test result for drugs has been returned by the laboratory, the tested employee will be given an opportunity to provide to the Medical Review Officer appropriate and corroborated information to demonstrate the confirmed positive test result is from legally prescribed medication or other ingestion. Evidence to justify a positive test result may include, but is not limited to:

1. A valid prescription; or
2. A verification from the individual's physician verifying a valid prescription.

If the Medical Review Officer determines there is lack of legitimate reason for the positive result, the result will then be considered a verified positive test result. The Medical Review Officer will timely and confidentially notify the Town Manager (or the

Personnel Committee Chairman if the Town Manager has been tested) in writing of the verified positive test result. If the test results are positive the employee must be evaluated by a Substance Abuse Professional (SAP). A return-to-duty test must be conducted prior to returning to the job. The employee will be subject to a minimum of six (6) unannounced follow-up drug tests in the first twelve (12) months following the positive result. The employee may submit a written request for a retest of the original specimen within 72 hours of being notified by the medical review officer. The retest will be at the employee's expense.

The laboratory may disclose laboratory test results only to the Medical Review Officer. A positive result which the Medical Review Officer justifies by acceptable and appropriate medical or scientific documentation to account for the result as other than the intentional ingestion of drugs will be treated as a negative test result and may not be released for purposes of identifying drug use/misuse.

If the results of the employee's alcohol test indicate a blood alcohol concentration of .02% or greater, but less than .04% the employee will be suspended without pay and shall not be permitted to perform the duties of a position that requires a CDL for at least 24 hours and a retest that indicates a blood alcohol level (BAL) of less than .02%. If the blood alcohol concentration is greater than .04% the test is considered a positive result and the employee must be evaluated by a Substance Abuse Professional. Return-to-duty tests must be conducted prior to returning to the job. The employee will be subject to a minimum of six (6) unannounced follow-up alcohol tests in the first twelve (12) months. All positive tests will be confirmed by a second test. The results of these tests will be reported immediately to the Town Manager (or to the Personnel Committee Chairman if the Town Manager has been tested). A positive test result on any return-to-duty test may result in immediate termination.

All drug testing information specifically relating to employees and applicants is confidential and should be treated as such by anyone authorized to review such information. In order to implement this program efficiently and make information readily retrievable, the Town Clerk/Treasurer's Office shall maintain all records relating to reasonable suspicion, suspicion of tampering with evidence, and other authorized documentation necessary to implement and maintain this program.

All records and information of any personnel actions taken on employees with verified positive test results shall be maintained in confidential and secured files in the Town Clerk/Treasurer's Office and disseminated only to authorized individuals on a confirmed "need to know" basis as determined by the Town Manager.

14.5 GUIDELINES FOR REASONABLE SUSPICION TESTING

The following guidelines are provided as an aid in administering and enforcing the Town's drug-free workplace policy. They are not meant to cover every situation; however, they are designed to help avoid allegations of unlawful treatment. These guidelines cannot be used as a substitute for good judgment; each situation must be reviewed on a case-by-case basis. When a supervisor, in his or her judgment, has reason

to believe that an employee has used and is under the influence of drugs or alcohol, the supervisor should ask his or her supervisor to corroborate the observations.

The following examples, alone or in combination, may comprise reasonable suspicion. The list is not all-inclusive.

1. Unexplained inability to perform normal job functions.
2. Slurred speech.
3. Smell of alcohol or drugs on breath.
4. Any unusual lack of physical coordination or loss of equilibrium.
5. Unexplained hyperactivity or depression and withdrawal.
6. Unexplained inability to think or reason at the employee's normal level.
7. Bizarre behavior.
8. Possession of alcohol or illegal drugs or the presence of alcohol containers, illegal drug paraphernalia in an area subject to the employee's control.
9. Information provided by a reliable and credible person.

If during normal working hours reasonable suspicion is confirmed, the supervisor shall contact the Town Manager (or the Personnel Committee Chairman if the Town Manager is suspected to be under the influence) to discuss the observations and to determine the appropriate course of action. If the employee is to be tested, the Town Manager (or the Personnel Committee Chairman) shall be notified to make the arrangements with the Town's designated collection center for the necessary drug and/or alcohol tests. The employee will be transported to the testing site (or mobile unit). If the reasonable suspicion is confirmed outside of normal working hours, then the supervisor shall arrange to have the employee transported to the approved collection center. For purposes of these guidelines, normal working hours are considered 0700 to 1700 hours, Monday through Friday.

If the employee refuses to be tested, the employee shall be immediately suspended from duty without pay and transported home. The refusal of an employee to submit to a reasonable suspicion test shall comprise insubordination and may be the basis for disciplinary action, up to and including termination.

The supervisor who orders a drug and/or alcohol test shall document, in writing within 24 hours of the observed behavior, the conduct giving rise to reasonable belief of drug use. The documentation shall include any statements made and any actions taken by any persons involved in the incident. All records shall immediately be forwarded to the Town Clerk/Treasurer.

For purposes of maintaining a workplace free of drugs and alcohol, the Town of Luray will maintain the right to search the lockers, file cabinets, desks, other Town-owned or provided fixtures, and fixtures owned by employees but used for Town business.

14.6 DISCIPLINARY ACTION AND REHABILITATION

Possession and/or use of illegal controlled substances and the use of or being under the influence of alcohol while on duty are considered extreme misconduct and shall be appropriately disciplined. Anyone observing a violation of this policy must report it to his or her immediate supervisor, and the violations must be reported to the department head.

1. The employee shall not be disciplined until a positive test result is communicated to the Town unless the employee's conduct in connection with the substance/alcohol abuse amounts to conduct for which the Town may take action prior to knowing a positive test result. Also, where the employee is unable to safely perform the job, the employee shall be placed on administrative leave (with or without pay) depending on the outcome of the test.
2. Recommendations for discipline up to and including dismissal may be made for:
 - A. Failure or refusal by an employee to submit to a required examination;
 - B. A positive test for a controlled substance which is confirmed by Gas Chromatography/Mass Spectrometry (GCMS) or other suitable testing procedure; or
 - C. A positive test for alcohol use.
3. When dismissal is not recommended, an employee, at his or her own cost, enter and remain in a rehabilitation program approved by the Town until the approved program administrator is able to state that the employee has been successfully rehabilitated and can remain substance free. While in the program, an employee may use accrued annual leave, sick leave or request a leave or absence without pay.
4. If the employee fails to complete the program, or fails to be rehabilitated, the employee shall be dismissed from employment with the Town.
5. An employee who resumes use of said substances after the original reinstatement to work shall be dismissed.
6. Employees in high risk positions, or working in high risk situations, public safety employees or employees in jobs requiring the operation of vehicles or other motorized equipment must report the use of medications (either prescribed or over-the-counter), which may impair their ability to safely perform their job, to their immediate supervisors. Violations of this requirement may result in disciplinary action.
