

Town Council Meeting April 9, 2018

Presented by: Emily Reed

Updates from LDI:

-On the weekend of the 24th and 25th of March the Page County Arts Council hosted the Festival of the Arts. There were over 35 participants and they had visitors as far as New Jersey. LDI celebrates the Council's success and hopes to see a continuation next year with growth both in visitors and participants

-We are still collecting the banner designs and refining those. We will collect recommendations when that process is concluded.

-LDI's Downtown Dollars are currently being sent out when local business has guests. These tickets promote the use of the local businesses to shop and dine by offering a \$5.00 discount or a related sale of merchandise.

-Myself and LDI's President attended the Festival of Spring meeting on April 28. Several LDI members will be volunteering during this event.

-We are in the middle of planning our annual Chicken Chow Down celebrating the area's chicken heritage. LDI wants to invite each of you to join us and we will be offering all of you a free ticket to attend the event which is on Friday, May 18, 2018 from 5-8.
